## Town of Ashland City Building & Codes Department

233 Tennessee Waltz Parkway Suite 103 Ashland City TN 37015 (615) 792-6455

The following information is to accompany the completed application:

- 1. Documentation that all public utilities have been properly disconnected.
- 2. Proof of permission from the owner of the current location of the building allowing the building to be demolished.
- 3. Approval for the abandonment of the sewage disposal system by Ashland City Public Works or TDEC.
- A satisfactory pre-demolition evaluation inspection from the Building & Codes Department or from an architect or engineer registered by the state of Tennessee on general code conformance of the structure to be demolished.
- 5. Provide Landfill/Dump receipt upon request to the Building & Codes Department.
- Please click the link below for TEDC requirements pertaining to asbestos/lead-based paint remove <u>https://www.tn.gov/environment/toxic-substances-program/asbestos-program.html</u>
