Any such Public School may install, at its expense, such additional Converter Boxes for classroom purposes as it desires, provided that such installation shall not interfere with the operation of the Cable System. The quality and manner of installation of such additional connections at the Public Schools shall be approved by the Grantee prior to installation and shall comply with all local, State and federal laws and regulations. The requirement to provide Cable Services to Public Schools and Public Buildings is subject to the same build-out set forth in **Subsection 6.1**. The Grantee shall not be required to offer Cable Services to Public Schools and Public Buildings that are more than 125 feet from the nearest connection point to the Cable System, unless the Franchising Authority or building owner/occupant agrees to pay the incremental cost of any necessary extension or installation. In accordance with the Federal Communications Commission's Third Report and Order regarding Implementation of Section 621(a)(1) of the Cable Communication Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, Released August 2, 2019, the cost of any installations to Schools and Public Buildings, if requested, shall be deducted against the Franchise Fee identified in Section 10.1 of this Ordinance.

13.2 Limitations on Use. The Cable Service provided pursuant to **Subsection 13.1** above shall not be used for commercial purposes and such outlets shall not be located in areas open to the public. The Franchising Authority, if they are in direct control of the school or public building, shall take reasonable precautions to prevent any improper or inappropriate use of the Cable System or any loss or damage to the Cable System. The Franchising Authority, as allowed by law and only

as it applies to schools or public buildings that are within their control, shall hold the Grantee harmless from any and all liability or claims arising out of the provision and use of Cable Service required by **Subsection 13.1** above.

SECTION 14 **Enforcement and Termination of Franchise**

14.1 Notice of Violation. In the event that the Franchising Authority believes that the Grantee has not complied with or defaulted on any material term of this Agreement, the Franchising Authority shall informally discuss the matter with the Grantee. If these discussions do not lead to resolution of the problem, the Franchising Authority shall notify the Grantee in writing of the exact nature of such alleged noncompliance.

14.2 The Grantee's Right to Cure or Respond. The Grantee shall have thirty (30) days from receipt of the notice described in **Subsection 14.1**:

- (i). to respond to the Franchising Authority, contesting the assertion of such noncompliance;
- (ii). to cure such default; or
- (iii). in the event that, by the nature of such default, it cannot be cured within the thirty (30) day period, initiate reasonable steps to remedy such default and notify the Franchising Authority of the steps being taken and the projected date that they will be completed.

14.3 Public Hearing. In the event that the Grantee fails to respond to the notice described in **Subsection 14.1** pursuant to the procedures set forth in **Subsection 14.2**, or in the event that the alleged default is not remedied within thirty (30) days or the date projected pursuant to **Subsection 14.2(ii)** above, the Franchising Authority shall schedule a public hearing to address the alleged non-compliance or default if it intends to continue its investigation. The Franchising Authority shall provide the Grantee at least ten (10) days prior written notice of such hearing, which shall specify the time, place and purpose of such hearing. The Franchising Authority shall present any evidence of the default at the public hearing and the Grantee shall be provided with equal time to present evidence contrary to that provided by the Franchising Authority or present evidence if the Grantee's attempts to remedy the default.

14.4 Enforcement. In the event the Franchising Authority determines that the Grantee is in material default of any provision of the Agreement after the hearing set forth in **Subsection 14.3**, the Franchising Authority may, subject to applicable federal and State law,

- (i). seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or
- (ii). commence an action at law for monetary damages or seek other equitable relief; or

- (iii). in the case of repeated or ongoing substantial non-compliance with a material term or terms of this Agreement, seek to revoke the Franchise and terminate this Agreement in accordance with **Subsection 14.5**.

14.5 Revocation.

A. **Notice of Intent to Revoke.** Prior to revocation of the Franchise and termination of this Agreement, the Franchising Authority shall give written notice to the Grantee of its intent to revoke the Franchise and terminate this Agreement on the basis of a pattern of noncompliance by the Grantee. The notice shall set forth the exact nature of the noncompliance and include citation to one or more specific instances of substantial noncompliance with a material provision of this Agreement by the Grantee. The Grantee shall have sixty (60) days from such notice to object in writing to the Franchising Authority, state its reasons for such objection, and provide any explanation. If the Franchising Authority is not satisfied with the Grantee's response, it may then seek to revoke the Franchise and terminate this Agreement at a public hearing. The Franchising Authority shall give the Grantee at least twenty (20) days prior written notice of such public hearing, specifying the time and place of such hearing, and stating the Franchising Authority's intent to revoke the Franchise and terminate this Agreement.

B. **Revocation Hearing Provisions.** At the revocation hearing, the Franchising Authority shall give the Grantee an opportunity to state its position on the matter, present evidence and witnesses to support its position, and question any witnesses presented by the Franchising Authority. After the Grantee has concluded its presentation, the Franchising Authority shall determine whether or not the Franchise shall be revoked, and this Agreement shall be terminated. The revocation hearing shall be on the record and a written transcript shall be made available to the Grantee within ten (10) business days. The decision of the Franchising Authority shall be made in writing and shall be delivered to the Grantee pursuant to the notice provisions of this Agreement. The Grantee may appeal such determination to a court of competent jurisdiction.

14.6 Conditions of Sale.

A. If the Grantee's Franchise and this Agreement are lawfully revoked or terminated and the Franchising Authority either lawfully acquires ownership of the Cable System or by its actions lawfully effects a transfer of ownership of the Cable System to another Person, any such acquisition or transfer shall be at the price determined pursuant to the provisions set forth in **Section 627** of the Cable Act.

B. The Grantee and the Franchising Authority agree that in the case of a final determination of a lawful revocation of the Franchise and termination of this Agreement, the Grantee shall be given at least twelve (12) months to effectuate a transfer of its Cable System to a qualified third-party. The Grantee shall be authorized to continue to operate pursuant to the terms of this Agreement during this period. If the Grantee is unsuccessful in procuring a qualified transferee or assignee of its Cable System during such time, the Grantee and the Franchising

Authority may avail themselves of any rights they may have pursuant to federal or State law. It is further agreed that the Grantee's continued operation of the Cable System during the twelve (12) month period shall not be deemed to be a waiver, nor an extinguishment of, any rights of either the Franchising Authority or the Grantee.

C. Upon the termination of this Agreement and revocation of the Franchise, as provided herein, the Grantee shall, upon notice by the Franchising Authority, remove at its own expense the Cable System from all Public Ways. Notwithstanding the foregoing, the Grantee may abandon any property on Public Ways upon written notice to the Franchising Authority. If, within ninety (90) days of the receipt of such notice, the Franchising Authority determines that the safety, appearance, or use of the Public Ways would be adversely affected, the property must be removed by the Grantee by a date reasonably specified by the Franchising Authority, in light of the amount of work to be performed.

14.7 Good Faith Errors. The parties agree that it is not the Franchising Authority's intention to subject the Grantee to penalties, fines, forfeitures or revocation of the Franchise or termination of this Agreement for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact to the Subscribers or the Cable Services, or where strict performance would result in practical difficulties and hardship to the Grantee which outweigh the benefit to be derived by the Franchising Authority and/or Subscribers.

SECTION 15 **Miscellaneous Provisions**

15.1 Compliance with State and Federal Laws. This Franchise shall be governed by and construed in accordance with Federal law, the laws of the State of Tennessee and the Town of Ashland City, Tennessee. The Grantee further acknowledges by acceptance of this Agreement that it has carefully read the terms and conditions of this Agreement and any applicable cable ordinance enacted by the Franchising Authority. Notwithstanding any other provisions of this Agreement to the contrary, the Grantee shall at all times comply with all laws and regulations of the State and federal government or any administrative agencies thereof which related to the conduct of the Grantee's business.

15.2 Force Majeure. The Grantee shall not be held in default under, or in noncompliance with, the provisions of this Agreement, nor suffer any enforcement or penalty relating to noncompliance or default, where such noncompliance or alleged defaults occurred or were caused by circumstances reasonably beyond the ability of the Grantee to anticipate and control. This provision includes work delays caused by third-party utility providers to service or monitor their utility poles to which portions of the Cable System are attached, as well as unavailability of materials and/or qualified labor to perform the required work.

15.3 Actions of Parties. The Franchising Authority and the Grantee shall act in a reasonable, expeditious, and timely manner in regard to any action that is mandated or permitted under the terms hereof. Furthermore, in any instance where the approval or consent is required by one of the parties under the terms hereof, such approval or consent shall not be unreasonably withheld.

15.4 Entire Agreement. This Agreement constitutes the entire agreement between the Grantee and the Franchising Authority and supersedes all other prior understandings and agreements, whether oral or written. Neither party may unilaterally alter the material rights and obligations set forth in this Agreement, whether through governmental power or otherwise. Any amendments to this Agreement shall be mutually agreed to in writing by the parties.

15.5 Reservation of Rights. Acceptance of the terms and conditions of this franchise will not constitute, or be deemed to constitute, a waiver, either express or implied, by the Grantee of any constitutional or legal right which it may have or may be determined to have, either by subsequent legislation or court decisions. The Franchising Authority acknowledges that the Grantee reserves all of its rights under applicable Federal and State Constitutions, laws and regulations.

15.6 Notices.

A. Unless otherwise expressly agreed between the parties, every notice or response required by this Agreement to be served upon the Franchising Authority or the Grantee shall be in writing, and shall be deemed to have been duly given to the required party when placed in a properly sealed and correctly addressed envelope: (i) upon receipt when hand delivered to the other party, (ii) upon receipt when sent certified, registered mail, (iii) within five (5) business days after having been deposited with the United States Postal Service for standard delivery or (iv) the next business day if sent by express mail or overnight courier.
